

Sentinel Farms Summer Week-long Day Camps

Sentinel Farms Arts, Agriculture, & Equine Camp Sentinel Farms Sport Horse Riding Camp for Ages 7 - 17

Sentinel Farms Arts, Ag & Equine Camp is offering six weeks of enriching summer camp where a broad range of activities are part of everyday including an introduction to Classical Horsemanship and a variety of arts, sports & agricultural activities in an active farm environment. A typical Sentinel Farms Camp day includes the possibility of witnessing new lives joining the farm community. This summer we will be welcoming new calves, a new foal and chicks as well as harvesting the healthy food that we will eat for lunch. Sentinel Farms also offers a CSA (Community Supported Agriculture) that campers are encouraged to take part in.

While our camp focuses on sharing the skills of Classical Horsemanship we also offer opportunities to observe and take part in the living world that supports our traditional Vermont countryside. Our campers look forward to returning the following year and building upon the skills and knowledge they took home with them the previous year. Campers and their families can continue to build a relationship with the farm by taking part in a variety of community events that are scheduled throughout the year. We enjoy being a part of building meaningful relationships. Camp is available for youth ages 7-17. Enrollment limited to 12 youth /week.

Classical Horsemanship builds a foundation for understanding comprehensive horse care and the enjoyment of the riding experience for both horse and rider. This grounding helps every camper build a maturing awareness of the work and the enjoyment involved in every relationship.

Some afternoons are spent with local artists (painting) and musicians (singing) and on other afternoons we play a variety of sports, learn a bit about working with young beef calves, build your own brush box or go for a nature hike. When transportation can be arranged we learn to hit a golf ball at our local golf course, Cedar Ridge.

All camp activities emphasize every campers respect for them self and each other right alongside an enthusiastic enjoyment of learning. Questions and active hands-on learning gathers awareness of individual responsibility, safety, respect, and personal care.

Camp runs five days /week and begins on Monday at 9:00 – 3:30. Friday has an early pick up at 11:30 am. Weather allowing - Thursday begins at 9:00am and includes an optional overnight camp out on the hill (smores, dinner and breakfast Friday morning included). Early drop off or late pick up to help out with parent work schedules can be arranged as needed.

Camp weeks: June 20 - June 24, June 27 – July 1st, July 11th – July 15th, July 18th – July 22nd
Camp may also be available August 22nd – August 26th, August 29th – September 2nd.
Early drop off and late pickup available by arrangement.

Tuition: \$300/wk with partial/full scholarships available.

Additional \$50/wk for meals includes all lunch, snacks & drinks.

Sentinel Farms Sport Horse Riding Camp offers three weeks of summer camp geared toward the serious horse enthusiast interested in learning the broad foundation of knowledge needed to be a professional groom & horseman including: Horse health care/management & training from birth through a horses first backing and onto competition, an introduction to our breeding program of Colored Sport Horses and continually building riding skills. Riding instruction focuses on the balance and strength of horse and rider needed for safe & respectful horsemanship. Opportunities available to attend events with the trainer. Individual training and other enriching activities are part of every working day.

Camp runs Monday – Friday. August 1st – August 5th, August 8th – August 12th, August 15th – August 19th,
Tuition: \$475/wk with partial to full scholarships available.
