

Sentinel Farms Arts, Agriculture & Equestrian Camp

“Re-rooting Our Youth in Vermont’s Agricultural Traditions”

Ages 7 - 17

Sentinel Farms Arts, Agriculture & Equestrian Camp is offering four weeks of enriching summer camp where a broad range of activities are part of everyday including an introduction to Classical Horsemanship and a variety of arts, sports & agricultural activities in an active farm environment. A typical Sentinel Farms Camp day includes the possibility of witnessing new lives joining the farm community. This summer we will be welcoming new calves, a new foal and chicks as well as harvesting the healthy food that we will eat for lunch. Sentinel Farms also offers a CSA (Community Supported Agriculture) that campers are encouraged to take part in.

While our camp focuses on sharing the skills of Classical Horsemanship we also offer opportunities to observe and take part in the living world that supports our traditional Vermont countryside. Our campers look forward to returning the following year and building upon the skills and knowledge they took home with them the previous year. Campers and their families can continue to build a relationship with the farm by taking part in a variety of community events that are scheduled throughout the year. We enjoy being a part of building meaningful relationships. Camp is available for youth ages 7-17. Enrollment is limited to 12 youth /week.

Classical Horsemanship builds a foundation for understanding comprehensive horse care and the enjoyment of the riding experience for both horse and rider. This grounding helps every camper build a maturing awareness of the work and the enjoyment involved in every relationship.

Some afternoons are spent with local artists (painting) and musicians (singing) and on other afternoons we play a variety of sports, learn a bit about working with young beef calves, build your own brush box or go for a nature hike. When transportation can be arranged, we learn to hit a golf ball at our local golf course, Cedar Ridge.

All camp activities emphasize every campers respect for them self and each other right alongside an enthusiastic enjoyment of learning. Questions and active hands-on learning gathers awareness of individual responsibility, safety, respect, and personal care.

Camp runs five days /week and begins on Monday at 9:00 – 3:30. Friday has an early pick up at 11:30 am. Weather allowing - Thursday begins at 9:00am and includes an optional overnight camp out on the hill (s’mores, dinner and breakfast Friday morning included). Early drop off or late pick up to help out with parent work schedules can be arranged as needed.

Camp weeks:

Week 1: June 18th – June 22nd

Week 2: July 16th – July 20th

Week 3: July 30th – August 3rd

Week 4: August 20th – August 24th

Tuition: \$350/wk with partial/full scholarships available.

Additional \$50/wk food stipend includes all meals: snacks, lunches, drinks, Thursday evening cookout and Friday morning breakfast.
